REGISTRATION DEADLINE IS JANUARY 16

Helping children experience
the power and joy of
giving back.

What is KICK?

Kids Involved in Community Kindness **KICK** is program that connects children, grades 3-5, to their community and helps them learn the value of 'giving back'. In KICK, children participate in 10 fun and highly interactive sessions that helps them explore their community, identify ways they want to help, and culminates in a meaningful service project of their choice!

What are the benefits of **KICK** for kids?

- They discover that with compassion and determination even one person can make a difference!
- They feel connected to their community and the people that live there.
- They develop positive values while they build their own self-worth, self-awareness, and responsibility.

Who can lead KICK?

KICK leaders are Sunday school teachers, community center workers, or civic association members who want to get children involved in their neighborhood. Some groups have even hired local teens to lead **KICK** with younger children!

It takes very little experience to lead the program, because everything in **KICK** is mapped out for you. Curriculum sessions are laid out in an easy to read format, complete with material lists, master handouts, and more!

Become a KICK leader!

Alternatives, Inc., the **KICK** program developer, is offering a *free* training to Hampton adults/high school teens interested in leading **KICK** with children.

All participants will receive a **KICK** curriculum, and hands on training on how to use it.

Participants who complete the training and implement the program will also be invited to apply for mini-grants of up to \$200.00. which can be used for supplies to help the children complete their service projects.

REGISTRATION DEADLINE IS JAN 16- SPACE IS LIMITED TO 15 PARTICIPANTS, SO HURRY!

(SEE BACK FOR REGISTRATION)
